## *Lot, Plan & Elevation Worksheet*

This worksheet has been designed to help you in the decision making process of selecting your lot and home; it is not for official use. We are asking that you select up to 12 choices, in ranking order, for your lot and home. This aims to maximize the home selection process as we are giving you, our VIPs the option of writing a contract in the order in which you appear on the VIP list.

### **Lot Choices**
